Mary Patrick, Principal ✧ Derk Garcia, Superintendent, Roseville City School District

November 27, 2017

Dear Families:

The reason you are receiving this letter is our records indicate you have a student attending our school who is currently identified as an English Learner. This means they have taken the California English Language Development Test (CELDT) and have not been reclassified as English Fluent Proficient.

Each year the school must create an English Language Advisory Committee (ELAC), which advises the school and School Site Council on the School Site Plan as it relates to English Language Learners. There must also be a site elected representative who serves as the school liaison for the District English Language Advisory Committee (DELAC). Therefore, on the back of this letter you will find the ballot form where you will vote for one person to be our ELAC President, who in turn will also be our site representative to DELAC. Please make sure you vote for one person.

Also, included on the ballot form is a brief survey regarding ELAC meeting times and what activities or information you would like to see from our Catheryn Gates ELAC for the remainder of the school year. This, along with the ballot information, is anonymous, however if you have any questions or need any follow up information, please feel free to complete the contact information at the bottom of the page and we will get back to you as soon as possible.

Thank you again for your valuable participation in this election and survey. We appreciate your time and your feedback! **Once completed, please return to your child's teacher no later than Friday, December 8, 2017.**

Sincerely,

Mary Patrick
Principal
