A Message from Mrs. Patrick

We hope everyone has a wonderful Thanksgiving Break!

With three weeks of 2019 left, we want to close out the year and start 2020 on the right foot. We must continue to be proactive in our approach to maintaining a safe and efficient transfer of students between parent and school, especially with the coming wet/cold winter weather.

Always follow the direction of staff on duty, consider carpooling with your neighbors to lessen the number of cars in the loops, plan a special pick up spot to use everyday so that you can be in and out quickly, organize a neighborhood "walking school bus" where students walk together while parents alternate days to supervise the kids. Please be sure to observe the laws and please do not park in a RED ZONE. These areas are marked to assist in the flow of traffic.

Also when parking please be mindful of the space you use and if possible move up so we can allow for other vehicles to park closer to the school. Last, but not least, drive through the loops as you want all others to be driving around your child — and please Do Not double park, including in the Kindergarten area. It is our students' safety that is the ultimate concern and we need to work together.

Thank you so much to the majority of parents who truly do follow the expectations in order to keep our campus safe. We appreciate your continued support with this issue!

Our school has the opportunity to watch a holiday performance by Roseville High School's Dance Class on Thursday, December 12th. The students will be taking the bus to the performance at the high school. No parent chaperones are needed. Your child will have lunch at school. The cost of this trip is being covered by the school. Teachers are sending a permission slip home soon, please return them to the classroom teacher.

Thank you for your support for this VAPA (Visual and Performing Arts) field trip for our students!

Adopt a Child Giving Tree

November 18th – December 6th

As part of our Holiday Boxes program, every child whose family gets a box receives a present. Our giving tree, located in the front office, is a way to help this happen by allowing Gates families the ability to “adopt” a child for the holidays.

How It Works:

1. Pick a tag off our Giving Tree. See the back to find out what child you “adopted” (age/grade and gender) or what gift card your “adopted” family will be receiving.
2. Purchase a gift for your “adopted” child or gift card for your “adopted” family. Purchase amount for each gift or gift card should be in the \$25 range.
3. Wrap gift and attach its corresponding tag to it. Gift cards should be in an envelope with corresponding tag taped or stapled to it.
4. Drop off gift or gift card to front office no later than Thursday December 6th.
