

THE PTC AT CATHERYN GATES!

PTC stands for Parent Teacher Club. The Catheryn Gates PTC mission is to promote and foster a positive, cooperative and safe environment for our children, their teachers, administration, support staff and parents.

The PTC and the funds we raise sponsor academic enrichment programs, school improvements and fun, family events all year long.

Joining PTC gives you a voice in what activities we plan, how we spend PTC funds and what fundraisers we hold. It is also a great way to get involved in your child's education and help us build a school community that will continue to make Catheryn Gates a SPECTACULAR school!
