GatesPTC@gmail.com

Our Parent Teacher Club (PTC) is a non-profit, volunteer organization established to benefit the students at Catheryn Gates Elementary School. Any parent, teacher or staff member can join the PTC. The goal of the PTC is to bring parents, teachers and staff members together to improve and enhance our children’s school experience. We will hold several meetings throughout the year and free childcare will be provided for Gates students. Meeting dates and times will be provided with advance notice in the Explorer Express.

To show your support for our PTC, please fill out the membership form below and enclose your tax-deductible \$5 family membership fee. Please return your membership form to the office by **Friday, September 15th**. *Make checks payable to Catheryn Gates PTC.*

**Please fill out only one form per staff member. Thank you!
